TO,

The Commissioner,

Adi Dravidar and Tribal Welfare Department,

Chennai - 600001.

SUBJECT: Urgent Request for Improved Welfare Support in Tribal Areas

Respected Sir/Madam,

I, John Doe, a resident of a tribal settlement near Chennai, would like to highlight the lack of adequate welfare support for our community. The promised scholarships and housing schemes have not reached many eligible families, causing financial strain and hindering education. This neglect is affecting the upliftment of our tribal population and perpetuating social inequality.
