SUBJECT: Immediate Action Needed for Garbage Pile-Up in T. Nagar

Respected Sir/Madam,

I, Priya Sharma, a frustrated resident of T. Nagar, am writing to express my outrage over the unbearable garbage pile-up in our locality. For weeks, heaps of trash have been left unattended on the streets, attracting stray dogs and rats, and making the air impossible to breathe. This is an absolute disgrace! Your department's negligence has turned our once-lively area into a dumping ground, and I demand immediate action to clear this mess before it spirals further out of control. We pay taxes, and we deserve better than this!
