SUBJECT: Urgent Request to Fix Malfunctioning Traffic Signal in Anna Nagar

Respected Sir/Madam,

I, John Doe, a resident of Anna Nagar, would like to bring to your attention a critical transportation issue in our area. The traffic signal at the junction of 3rd Main Road and 5th Avenue has been malfunctioning for the past week, leading to severe traffic congestion and multiple accidents. Commuters, including school buses and daily workers, are facing significant delays, and the lack of proper signage has made the situation even more dangerous. This issue is disrupting our daily commute and posing a safety hazard to all road users. We urgently request immediate repair of the traffic signal and the installation of temporary signage to manage traffic until the issue is resolved.
